Follow the company

Description:	Our company is one of the leading manufacturers of glass packaging made of brown glass in Russia. All enterprises in Nizhny Novgorod and the Nizhny Novgorod region place their trust in our brown bottle. Also, our glass packaging is popular in Moscow, Kirov, Samara, Yaroslavl and in many other regions. Our glassworks has a vast experience in the production of glass products of various types and purposes. Today we produce more than 23 types of brown glass containers. In our factory, a bottle for beer, wine, carbonated drinks, mineral water, dairy products and for chemical liquids is constantly produced. The high level of staff training of the company allows producing an exclusive glass bottle according to customer requirements. The main advantage of our production is the possibility of producing exclusive glass products of 300 000 or more pieces when the majority of glass production companies take an order of more than 1 million pieces.
