Glass Open Book

Rider Glass Co., Ltd.

Description:

China's Most Reputable Glass Supplier Providing Top Services For More Than 25 Years.

RIDER GLASS Co., Ltd. Jointly manufactures and exports a variety of glass products for architectural, automotive, decorative and residential uses. We exportaw and processed glass to more than 126 countries on 6 continents.

SERVICE
Our goal is not only to provide high quality glass, but also to maintain a personalized and professional relationship with each customer. No matter how big or small your requirement we will do our best to meet your demand. Our sales group has extensive glass expertise, as well as sound market knowledge and resources to help you make well-informed purchasing decisions. Furthermore, our sales professionals provide prompt "after sales service" and support to ensure a smooth glass purchasing experience.

Our professionally trained warehouse staff ensures that your glass is safely loaded so that it reaches its destination in the same perfect condition in which it left our production facility. We are constantly evolving our packing and loading techniques to ensure easier off-loading, minimal breakage, and other safeguards to combat seasonal changes in climate.

FLEXIBILITY
Our wide assortment of both raw and processed glass products in various colors and customizable options make it even easier to make all your glass purchasing decisions from one supplier.
