DERYA | GLASSYMOULD

Description:

Established in 2016, DERYA | GLASSYMOULD® has been dedicated to supplying the global Tableware glass industry with top-notch mold equipment and spare parts.

We specialize in providing comprehensive mold equipment and machine parts for various glass manufacturing processes, including Press, Press & Blow, Spinning, and T/T machines.

With over 20 years of experience and expertise in mold and spare part manufacturing, our team of engineers and dedicated employees ensures the delivery of high-quality products at competitive prices and with efficient lead times.

Our extensive experience, valuable business partnerships, and a network of skilled associates and workers are our greatest strengths. By leveraging our capabilities and resources, we are committed to offering exceptional and sustainable service to our clients. Our mission is to provide optimal solutions and advantages to our esteemed customers and business partners worldwide. As a result, "DERYA | GLASSYMOULD®" has earned a stellar reputation for its positive contributions to the tableware glass manufacturing industry since its inception, thanks to the trust and support of our customers.

We will continue to support our customers with their new and existing mold equipment needs and turnkey projects related to new machine investments.

Quality-driven management and customer satisfaction remain our core values.
