Glass Open Book

Sub Assistant Glass Engineer

Field of activity:	Production
Glass industry sector:	Flat / Float glass
Type of employment:	Full-time

I am currently a 7th-semester Diploma in Glass Engineering student at the Bangladesh Government Institute of Glass & Ceramics. I will be available for full-time employment after completing my diploma. I am seeking an entry-level position where I can apply my knowledge of glass manufacturing, quality control, furnace technology, and sustainable glass innovations while continuing to develop my professional skills.

Languages:	Bengali
Living location:	Bangladesh (Open for relocation)
Preferred job location:	Worldwide
Willingness to travel:	Any-time

About me

Statement:	I am Koushik Ahmmed Anik, a 7th-semester Diploma in Glass Technology student at the Bangladesh Government Institute of Glass & Ceramics. Skilled in glass manufacturing, PLC, AutoCAD, Adobe Illustrator, and Photoshop. Passionate about sustainable glass innovation and eager to begin my career as a Glass Engineer.
